

**Complete the story and highlight the adjectives.**

**Draw a picture when you finish.**

Today, Tony would get to ride his new, red bicycle.

He had been saving up profit from his lemonade business to buy the wheeled device. His father had noticed his dedication and consistency and decided to help him. When the summer vacation began, his father drove him to the nearest sports store to choose the best option. Tony settled for the oddest choice; however, his father.....
