

Name: _____

Reading Comprehension

Read the text and answer the questions.

Cricket

Cricket is an exciting sport played in many countries around the world. It involves two teams taking turns to bat and bowl. The game is played on an oval-shaped field, with a rectangular pitch in the centre. One team bats while the other bowls and fields. The batsmen try to score runs by hitting the ball and running between two sets of wooden stumps. The bowlers aim to dismiss the batsmen by getting them out.

Cricket matches can last for different durations, from short games called "T20" to longer ones known as "Test matches." Players wear special uniforms, and the game has its own set of rules and terminology, like "wickets," "boundaries," and "overs."

1. What is cricket?

2. Where is cricket played?

3. How do teams score in cricket?

4. What are some different formats of cricket matches?

5. Can you name a piece of equipment used in cricket?
